Case number:	Vj - 051/2004
<b>Short title</b> (party, conduct, type of case):	T-Mobile/PannonGSM/MPP – remittance via mobile phone – restrictive agreement - negative statement, exemption
Type of case:	Restrictive agreement mixed
Description:	The leading two mobile operators of Hungary, T-Mobile and PannonGSM acquired joint control over a company, in order to support payments carried out via mobile phones. The parties reduced no- competition period from 5 to 3 years in the notified contract after receiving the investigator's report. Thus the agreement was not described as restricting economic competition.
